

# Problem

# Solving on Tap!

— “ —  
Drive innovation in  
Water through the  
PEOPLE engaging  
with it, everyday  
— ” —

"Helped me to think differently  
about how I apply the  
methodology in a way that the  
business can connect with" -  
Leyla Nazim at Yorkshire Water

## Ask yourself -

1. Are you operating in the water sector?
2. Do you want to drive more innovation internally?
3. Are you looking to invest in critical skills in 2022?

**Yes, yes, yes, these courses are for you**

**We  
understand  
WATER**

We focus on the challenges within Water, whilst bringing  
outside thinking. For more information contact us at
